

Leadership Nomination Form
Androscoggin Retired Educators Association

"County affiliates recognize members who demonstrate exemplary service to others in schools and communities. Active leadership on local, state and national levels is encouraged. Unified membership in MEA-Retired is required."

(Unified membership means you are a member of AREA, MEA-Retired and NEA-Retired.)

The Maine Educators Association-Retired recognizes one member from each county's organization to receive its Leadership Award. The county membership (A.R.E.A.) nominates members and the Leadership Committee reviews each nomination and decides on one person to be their Leadership recipient. Please use the form below if you would like to nominate someone. Emphasis should not only be on what people have done for A.R.E.A. but also for their communities - organizations, regularly volunteering at churches, synagogues, hospitals, AARP, Andwell, Veteran's Homes, Literacy Volunteers, or any of the service organizations. (This list is not exhaustive but only to help you get an idea.) *A person who has already received this award cannot be nominated again.* See the list at the bottom of this page for past recipients. Nominations for the 2026-27 Leadership Award must be turned in by Oct 23, 2026.

Name of nominee _____

Reason for nomination (i.e. organizations they belong to, volunteer work they have done, etc.)

Put this form in an envelope labeled Leadership Nomination Form (available on the back table) and return it to the basket at the back of the room labeled Leadership Nominee Forms or send the form to:

Susan Conklin
34 Macavity Drive
Turner, ME 04282
